ADD-T

Francesco Rota | 2016

Schreiben, lesen und wenn die Gemeinschaft wächst, arbeiten und sich treffen. Minimal wie ein Infinitivverb erfüllt der ADD T-Tisch die Anforderungen jeder Umgebung - vom Büro über das Essen bis zu privaten Räumen. Mit leichter Berührung und extremer Persönlichkeit strahlt der Tisch sein eigenes Leben aus und ergänzt nahtlos das ADD-Sitzsystem. Dank der Aluminiumgussbeine, die sich weiterhin mit den Rahmen verbinden, multiplizieren sich die Kompositionen, bereichert durch die Tischoberflächen in den Ausführungen - weißes Fenix, schwarzes Fenix, Eiche und schwarzes Holzporen. Verborgen und unter der Oberfläche verankert, fließen die Kabel. Auf der Tischoberfläche befinden sich Steckdosen und Stromversorgungen für intelligente Arbeitsplätze. In der Luft die Gelassenheit eines Tages, an dem alles einfach ist.

Istruzioni di uso e manutenzione

Clean all parts in wood, leather, fabric and metal with a damp cloth or a diluted neutral cleaner. Do not use cleaners with alcohol, bleach, solvent or abrasive products. Any liquid spilt on the product must be wiped up immediately.

When lifting or moving the product, hold it on the structure and not under the seat. The product should not be subjected to unbalanced weights, as it is designed for a proper rest on the foothold (on four legs or on the base).

Avoid any improper use of the product: do not step on the product, on the footrest or on the armrests. Do not expose the product to weather conditions or atmospheric agents, nor to heat sources over 40°C. Also products for outdoor use could be afflicted by atmospheric agents.

An appropriate and frequent maintenance and cleaning of the product enhances its durability. The product could change colour and shade, if exposed to direct sunlight. Once the product has been dismantled, the product itself or its components must be given to the public garbage disposal system, according to the legislation in force.
