# PLUS

Francesco Rota | 2017, 2024

Sie suchen einander, sie ziehen sich an. Genau dieser Verbindung von Formen und Farben entspringen die Sofas des Systems PLUS aus modularen Elementen, die den Charakter jeder Umgebung zur Geltung bringen. Das Profil ist weich und die Sitzfläche großzügig ausgelegt, so dass man sich darauf ausstrecken kann. Dank einer extrem einfachen Befestigung, die die Volumen neu zusammenfügt und das Profil neu gestaltet, sind zahlreiche Lösungen möglich. Eine kleine große Welt des Zusammentreffens, zu Hause, im Büro, überall. Und sollte das Bedürfnis nach Distanz aufkommen, erzeugt die auch als Rückenlehne geeignete Trennwand SCREEN auf sanfte Weise einen Rückzugsort.

**Istruzioni di uso e manutenzione**

Clean all parts in wood, leather, fabric and metal with a damp cloth or a diluted neutral cleaner. Do not use cleaners with alcohol, bleach, solvent or abrasive products. Any liquid spilt on the product must be wiped up immediately.

When lifting or moving the product, hold it on the structure and not under the seat. The product should not be subjected to unbalanced weights, as it is designed for a proper rest on the foothold (on four legs or on the base).

Avoid any improper use of the product: do not step on the product, on the footrest or on the armrests. Do not expose the product to weather conditions or atmospheric agents, nor to heat sources over 40°C. Also products for outdoor use could be afflicted by atmospheric agents.

An appropriate and frequent maintenance and cleaning of the product enhances its durability. The product could change colour and shade, if exposed to direct sunlight. Once the product has been dismantled, the product itself or its components must be given to the public garbage disposal system, according to the legislation in force.
