FOIL

Francesco Rota | 2022

Slender yet accommodating. Relaxing yet extremely stable. The new FOIL armchair, designed by Francesco Rota, is the outcome of a fusion of opposites. The generous padded seat, offering sheer comfort, emerges from the 4-slanted spoke base on castors, integrates with the enveloping backrest and descends into the highly elegant line of the armrests. With its bold yet delicate profile, FOIL holds the secret to a perfect working day. The ultimate in linearity for decision-making. The ultimate in fluidity for ideas. The ultimate in looking to the future for the easy recycling of its separate components. And last but not least, the ultimate pleasure in getting together around a table with colleagues and friends.

Istruzioni di uso e manutenzione

Clean all parts in wood, leather, fabric and metal with a damp cloth or a diluted neutral cleaner. Do not use cleaners with alcohol, bleach, solvent or abrasive products. Any liquid spilt on the product must be wiped up immediately.

When lifting or moving the product, hold it on the structure and not under the seat. The product should not be subjected to unbalanced weights, as it is designed for a proper rest on the foothold (on four legs or on the base).

Avoid any improper use of the product: do not step on the product, on the footrest or on the armrests. Do not expose the product to weather conditions or atmospheric agents, nor to heat sources over 40°C. Also products for outdoor use could be afflicted by atmospheric agents.

An appropriate and frequent maintenance and cleaning of the product enhances its durability. The product could change colour and shade, if exposed to direct sunlight. Once the product has been dismantled, the product itself or its components must be given to the public garbage disposal system, according to the legislation in force.
