KIPU

Anderssen & Voll | 2014

In 2014, the duo Arderssen&Voll created for Lapalma a sculptural and casual pouf, ideal also as a coffee table. The shape was inspired by a pebble smoothed by the river. Over a decade, this elegant and versatile pouf, born to freely inhabit lounge spaces, alone or in company, has conquered other spaces, from offices to libraries, from hotels to homes, and everywhere, in the variety of shapes and upholstery, it has transmitted personality and comfort.

Growing up means exactly this, reinventing a form that seemed already perfect. Ten years after its birth, the KIPU pouf has become an armchair, KIPU Club.

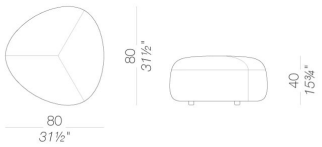

In 2024, the Norwegian design studio added an ergonomic backrest to the KIPU seat, which supports, protects, and softly embraces the body. The pebble has become a nest. The many admirers of this furniture, perfect alone and generous in pairs or groups, have become a club. Registrations are open. Dress code? Elegance, joy, relaxation.
