APTA

Romano Marcato | 2012 | Outdoor

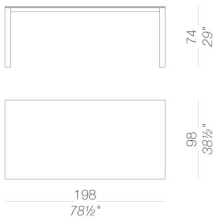

Un juego de contrastes, vivido con gran equilibrio, dejando hablar a la solidez de las bases y la ligereza de la superficie, simplemente elevada respecto a la estructura. Es el estilo de la mesa APTA, homenaje a las proporciones de un encuentro perfecto, ideal para todos los ambientes, desde la oficina a la casa.

Ligereza y solidez, juntos

En los extremos del día y de la noche, que reasumen cualquier color de selva, océano, desierto y metrópolis, la mesa APTA declara la originalidad de su diseño elevando con elegancia la superficie de la estructura. Y es otro contraste, vital también este, que une la solidez de las bases con la ligereza de la superficie de apoyo.

Istruzioni di uso e manutenzione

Clean all parts in wood, leather, fabric and metal with a damp cloth or a diluted neutral cleaner. Do not use cleaners with alcohol, bleach, solvent or abrasive products. Any liquid spilt on the product must be wiped up immediately.

When lifting or moving the product, hold it on the structure and not under the seat. The product should not be subjected to unbalanced weights, as it is designed for a proper rest on the foothold (on four legs or on the base).

Avoid any improper use of the product: do not step on the product, on the footrest or on the armrests. Do not expose the product to weather conditions or atmospheric agents, nor to heat sources over 40°C. Also products for outdoor use could be afflicted by atmospheric agents.

An appropriate and frequent maintenance and cleaning of the product enhances its durability. The product could change colour and shade, if exposed to direct sunlight. Once the product has been dismantled, the product itself or its components must be given to the public garbage disposal system, according to the legislation in force.
