APTA

Romano Marcato | 2012 | Outdoor

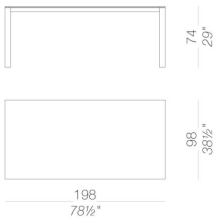

Un jeu de contrastes, vécu avec beaucoup d'équilibre, en laissant dialoguer la solidité des bases avec la légèreté du plateau tout juste soutenu par la structure. C’est le style caractéristique de la table APTA, un hommage aux proportions d'une rencontre parfaite. Idéale pour tous les contextes, que ce soit au bureau ou à la maison.

Légèreté et solidité, ensemble

Comme les fins de jour et de nuit, qui rappellent toutes les couleurs de la forêt, de l'océan, du désert et de la métropole, la table APTA déclare l'originalité de son design en soulevant élégamment le plateau de la structure. Et c'est un autre contraste, vital, qui conjugue la solidité des piètements avec la légèreté de la surface.

Istruzioni di uso e manutenzione

Clean all parts in wood, leather, fabric and metal with a damp cloth or a diluted neutral cleaner. Do not use cleaners with alcohol, bleach, solvent or abrasive products. Any liquid spilt on the product must be wiped up immediately.

When lifting or moving the product, hold it on the structure and not under the seat. The product should not be subjected to unbalanced weights, as it is designed for a proper rest on the foothold (on four legs or on the base).

Avoid any improper use of the product: do not step on the product, on the footrest or on the armrests. Do not expose the product to weather conditions or atmospheric agents, nor to heat sources over 40°C. Also products for outdoor use could be afflicted by atmospheric agents.

An appropriate and frequent maintenance and cleaning of the product enhances its durability. The product could change colour and shade, if exposed to direct sunlight. Once the product has been dismantled, the product itself or its components must be given to the public garbage disposal system, according to the legislation in force.
