PLUS

Francesco Rota | 2017, 2024

Ils se cherchent, ils s'attirent. Cette union de formes et de couleurs a donné naissance aux canapés PLUS, un système d'éléments modulaires qui mettent en valeur le caractère de tous les lieux. Le profil est doux et l’assise s'élargit généreusement pour s'adapter au corps allongé. Les solutions se multiplient, grâce à un système de fixation extrêmement simple qui rassemble les volumes et redessine le profil. Un petit, grand continent pour se rencontrer, à la maison, au bureau, dans n'importe quel espace. Et quand le désir d'un moment pour soi-même se fait sentir, le panneau SCREEN crée un environnement intime tout en douceur.

Istruzioni di uso e manutenzione

Clean all parts in wood, leather, fabric and metal with a damp cloth or a diluted neutral cleaner. Do not use cleaners with alcohol, bleach, solvent or abrasive products. Any liquid spilt on the product must be wiped up immediately.

When lifting or moving the product, hold it on the structure and not under the seat. The product should not be subjected to unbalanced weights, as it is designed for a proper rest on the foothold (on four legs or on the base).

Avoid any improper use of the product: do not step on the product, on the footrest or on the armrests. Do not expose the product to weather conditions or atmospheric agents, nor to heat sources over 40°C. Also products for outdoor use could be afflicted by atmospheric agents.

An appropriate and frequent maintenance and cleaning of the product enhances its durability. The product could change colour and shade, if exposed to direct sunlight. Once the product has been dismantled, the product itself or its components must be given to the public garbage disposal system, according to the legislation in force.
